THE LEGEND OF TRINITY

DESPITE THE FACT THAT THE FIRST TRINITY IRISH BAR WAS OPENED IN THE 21ST CENTURY, THE LEGEND OF ITS CREATION DATES BACK TO THE MIDDLE AGES, WHEN THE SECRET BROTHERHOOD OF THE HOLY TRINITY WAS FORMED.

THE FRATERNITY WAS NAMED AFTER THE TRINITY COLLEGE, THE OLDEST IRISH HIGHER EDUCATION INSTITUTION, AND WITHIN ITS WALLS THE FRATERNITY HELD MEETINGS AND SECRET TRAININGS FOR SPECIALLY SELECTED RECRUITS. FUTURE AGENTS WERE CHOSEN FROM COLLEGE STUDENTS WHO COULD SEE THINGS THAT MOST PEOPLE DON'T.

SINCE 1592, THE BROTHERHOOD HAS BEEN FIGHTING TO MAINTAIN THE BALANCE IN OUR WORLD, PREVENTING THE DARK FORCES FROM TIPPING THE SCALES AND PLUNGING OUR PLANET INTO CHAOS. AGENTS IN DIFFERENT COUNTRIES FIGHT THE DARK FORCES INVISIBLE TO THE NAKED EYE, AND FOR THEIR MEETINGS THEY GATHER IN INSTITUTIONS CALLED TRINITY SCATTERED AROUND THE WORLD.

It is not only his own skills, luck and Mentor, but also his sister who helps him get out of difficult situations.

dana grace

johann georg faust

In the Middle Ages alchemists worked diligently on creation of the elixir of eternal youth and one of them succeeded. Born in 1400, the alchemist doctor Johann Georg Faust at the age of fifty managed to do what no one before or after him could do - create the elixir of eternal youth. Since then, the cunning and crafty doctor has always remained at the age of 50.

christopher marlowe

The poet, translator and playwright Christopher Marlowe worked as an employee of English intelligence service even before he collaborated with the Brotherhood. In 1593 the silver haired Englishman staged his own murder and in 1619 drank the elixir found by Faust and stopped aging. Marlowe is a formidable fencer and keeper of a huge collection of compromising material about powerful people in this world.
